specifically designed for Industrial & Hazardous Waste Generators

HOW TO MANAGE YOUR HAZARDOUS WASTE

JULY 30-31, 1997 LUBBOCK, TEXAS

Holiday Inn, Civic Center

TEXAS NATURAL RESOURCE CONSERVATION COMMISSION

THE LEW SEE

What hazardous waste professionals said about recent seminars!

"I am impressed with the quality & knowledge of all those who spoke..."

"Overall, the seminar was very helpful."

"Why should I go to the other seminars when I can hear from the people who write and enforce the rules?"

"There's no better way to get the information you need."

A TNRCC INDUSTRIAL & HAZARDOUS WASTE SEMINAR FOR GENERATORS

The only time this year in West Texas!

Register Now Owners, operators, engineers, environmental staff or managers of facilities which generate industrial or hazardous waste - environmental and engineering consultants - don't miss this training opportunity.

- What environmental regulations apply to you?
- How do you comply with state regulations?

Learn how to comply with the new, changing and difficult aspects of TNRCC rules and regulations.

Presented by the most qualified instructors available - the TNRCC personnel who are responsible for permitting and regulating.

Meet with exhibitors that service your industry. Examine the latest and best technologies and products to solve your waste problems.
